

# Tejy Inc. Providing Building Permit Expediting Services in Maryland & DC

*Tejy Inc. – one of the competent permit expediting services in DC & Maryland, USA is facilitating construction professionals with permit service requirements.*

DC, WASHINGTON, UNITED STATES, June 28, 2021 /EINPresswire.com/ -- Tejy Inc. – one of the competent [permit expediting services in DC](#) and Maryland areas in USA is facilitating structural firms, homeowners, architects and other construction

professionals with different types of permit service requirements. As an efficient construction permit expeditor, the permit facilitators cater to the varied building permit approval process of AEC clients.

“

Skilled DC permit expeditors from our company advise clients throughout the permitting process to keep construction on schedule and within budget”

*Sukh Singh*

Sukh Singh, VP of Tejy Inc. stated – “ As a proficient DCRA permit expeditor and Maryland permit expeditor, we create permit drawings, matching the checklist of the building department. Our expert building [permit expeditors](#) provide permit drawing services meeting the standards of safety and energy efficiency of construction. Skilled DC permit expeditors from our company advise clients throughout the permitting process to keep the construction project on schedule and within budget.”

A senior permit expediting manager said – “ Tejy’s permit expeditors act as a facilitator between city’s staff and how the staff interprets their local buildings. Our permit expediting services are meant for addition-alteration repair, after hours, awning, postcard, excavation, capacity placard, demolition, fence, foundation, garage, firework stand, historic, raze, scaffolding, etc.”

Regarding the different types of building permit expediting services, Sukh added – “We also facilitate DC pool permit, retaining wall permit, new building permit, foundation, shed, sheeting

The graphic features a background image of two construction workers in hard hats and safety vests reviewing blueprints. Overlaid on this is a white box containing the Tejy Inc. logo, the text 'Tejy Inc. Providing Building Permit Expediting Services in Maryland & DC', a 'KNOW MORE' button with a phone icon, the phone number '202-465-4830', and social media icons for Instagram, Facebook, and Twitter. Below the phone number is a red 'APPROVED' stamp and the text 'BUILDING PERMIT'. At the bottom of the graphic, it says 'Tejy Provides Permit Expediting Services in USA'.

and shoring, sign permit, soil boring, tenant layout permit, tent, swimming pool permit, tower crane permit and underground storage tank permits.”

Sukh explained – “A construction permit is required for adding or remodeling a building of single-family, multi-family, commercial and industrial construction. Our experts look into the details of the process so that the clients get the approval for the same. In the case of ‘After Hours Permit’, we pay heed to the construction and see that it gets approved, when the construction is executed after the scheduled hours. We also provide postcard permit for small scale building projects, restricted to the specific work scope determined by DCRA.”

If you are planning to get Capacity Placard Permit, Demolition permit, fence permit or any other types of permit facilitating services, get in touch with the Tejy Inc. permit expediting company at 202-465-4830 or [info@tejy.com](mailto:info@tejy.com). [Tejy Inc. permit expeditors](#) are always ready to extend support with the local governing agency so that you can get approvals for retaining wall without a stop-work order from DCRA.

Further, every home builder, contractor or property owner gets the right support from Tejy Inc. for creating a new building or structure. Even if you are stuck in the process of getting a foundation permit, Tejy permit expeditors clarify that with Building Division requirements, requesting a foundation only permit. Never get slapped with a fine for contacting the wrong channel, when Tejy Inc. permit
