

Dar.Ra Presents "Ballads For The Downtrodden"

LONDON, ENGLAND, UK, June 28, 2021 /EINPresswire.com/ -- Irish music artist Dar.Ra's brand-new album "Ballads for the Downtrodden," is his most remarkable release to date. It's a 12-track collection that is more laid back, compared to his previous album and extended-plays. Revisiting the vault of tracks, he came across some old material that made the album's final cut including 'Evermore' which was written for his mother's sad passing. He dives deeper into his songwriting abilities revealing a different storyline than listeners' are used to with subliminal messages, not that anything sinister and mind controlling is at work but merely to suggest that not everything should be handed away so easily on first experience, which all art should do.

"Ballads for the Downtrodden," is an album that will bring the chills, draw some tears and leave you with some hope that someone is still carrying the banner for music that moves you on all levels.

The full tracklist to "Ballads for the Downtrodden" as followed:

1. Rewind
2. Wolverine
3. Girl Like You
4. Whisky n' Honey
5. Safe in Your Arms
6. You Kill Me

7. Evermore
8. Shadow of the Sun
9. Stand up for the Heroes
10. Start Again
11. Red White n' Blue
12. Lights
