PITTSBURG, CA, USA, June 28, 2021 /EINPresswire.com/ -- Reverend Devin Miller Reveals the Importance of Community Building and Involvement with the Church and Social Organizations in Expanding the Kingdom of God

“When is it a good time to address an issue? When the community brings it to us.” — excerpt from *The Miracles of Jesus: The Process for Community Building through Kingdom Expansion*.

“If leaders and community organizations are afraid of constructive criticism, how will they know if what they are doing is effective?” This intriguing excerpt from Reverend Devin Miller’s *The Miracles of Jesus: The Process for Community Building through Kingdom Expansion* gives us a small bit of insight that compromises this thought-provoking book. This will interest community leaders, church leaders, and other Christians as this allows us to see the Gospels and miracles in the Bible in a whole new way.

The Miracles of Jesus is a blueprint for both community and church leaders to look at as they face timely issues in their leadership environments. For community leaders, this book will assist them in addressing matters in a more compassionate yet practical way. For church leaders, this will interpret the miracles of Christ from a community perspective, allowing churches to reconnect with other communities and allow them to become more engaged to expand the kingdom. And for other Christians, this book will inform and allow them to see the Gospels and miracles in the Bible in a whole new way, showing you that the Word of God is just as relevant today as when it was written.
