"Central California shares the beauty of all of California without the traffic and hassles of either Southern California or Northern California," explained Bob Lee, President of Key Housing. "For those coming to Central California such as Lompoc or for military or business issues at Vandenberg Air Force base, our designated winner of Windscape Village is an excellent choice for short

term, corporate, or serviced apartments in and around Lompoc and indeed all of Santa Barbara county."

To browse the listing, visit <https://www.keyhousing.com/corporate-rental-properties/windscape-village/>. The listing explains many of the key features that make it ideal for a person seeking corporate housing in Santa Barbara housing. For example, since the complex is ideally situated at the north end of Lompoc, it is within walking distance of shopping centers, movie theaters, restaurants and is also conveniently located to parks, schools, Lompoc Airport, Highway 1 and - of course - Vandenberg Air Force Base.

The community offers the busy business traveler a wealth of amenities and exceptional recreational opportunities. These spacious one- and two-bedroom floor plans come complete with carpeting and window coverings, well-appointed kitchens with refrigerator, dishwasher, garbage disposal, and abundant cabinet and counter space; private patio/balcony, large closets and much more. Residents can even enjoy an invigorating game of tennis or basketball, relax in one of the warm whirlpool spas or take a refreshing swim in one of the two sparkling pools.
