administrative work, faster access to information, and real-time sharing of data to better support data-driven insights during the hiring process.

"ESR is pleased to announce our partnership and integration with UKG to jointly serve the needs of our mutual clients," said Dawn Standerwick, vice president of strategic growth, ESR. "The integration with UKG Pro

ensures a streamlined, efficient process for users and applicants. It's more important than ever for critical information to be pre-populated to save time and assure an excellent experience for every candidate."

UKG Pro is a global HCM suite designed for large and medium-size enterprises that helps HR teams manage every aspect of the lifework journey, including recruiting, payroll, talent management, AI-powered employee sentiment, and HR service delivery.

"UKG provides one of the largest and most collaborative technology partner ecosystems wholly focused on the HCM industry, providing innovative integrations that empower and engage employees," said Mike May, senior director, UKG Technology Partner Network at UKG. "Providing a great technology experience not only drives user adoption, but it also helps organizations engage and retain their workforce."

In October of 2020, Employment Screening Resources® (ESR) was named the #1 background screening firm for enterprise organizations and was ranked #1 in quality of service by HRO Today's Baker's Dozen Customer Satisfaction Ratings for Pre-Employment Screening.

ESR believes companies deserve a background screening partner that consistently delivers fast, accurate, affordable, and compliant information through an innovative solution that supports compliance with ever-changing laws. ESR can be found on the UKG Marketplace at <https://marketplace.ukg.com/en-US/apps/329301/esr-esr-assured-compliance>.
