NORMAN, OK, UNITED STATES, July 9, 2021 /EINPresswire.com/ -- Businesses have an unending need to find support and advertising help, and [Sample Oklahoma](#) has been a game-changer for local businesses through the State of Oklahoma. As a first of its kind, Sample Oklahoma aims to support local businesses and nonprofits through the purchase of a Sample Oklahoma [Subscription Box](#).

With a passion for supporting the Oklahoma community, Sample Oklahoma dropped a new subscription model earlier this year, that does just that.

As the first Oklahoma subscription box model, Sample Oklahoma offers a first-rate experience for subscribers, local businesses, and charities alike. Sample Oklahoma's new technology platform bridges the gap for a thriving Oklahoma network by uniting companies and nonprofits to join forces to benefit the community.

By vetting an exclusive number of businesses, focusing solely on businesses that are strongly aligned with the values of the nonprofits selected and local to the community, [SOK](#) helps cultivate a partnership that is thriving by boosting sales, visibility, and increasing employee productivity.
