

CULT OF DRACULA

THE NEW COMIC BOOK PHENOMENON BY COMIC BOOK WRITER, RICH DAVIS

KNOXVILLE, TENNESSEE, UNITED STATES, June 30, 2021 /EINPresswire.com/ -- AN ALL-NEW SIX ISSUE SERIES PUBLISHED BY SOURCE POINT PRESS

It's witchy. It's wyrd. It's Helter Skelter within a hippie cult dedicated to an ancient blood goddess. You know Bram Stoker's genre defining classic by heart, but you have no idea where this story is going!

Rich Davis – Author, Cult of Dracula

Praise For Cult of Dracula:

"It was tragic in the best possible way. The series has its bloody grindhouse moments so far, but where it rises above superficial shock is in it's building sense of unavoidable doom. There's so much pain and loss with the individual characters that you can't help but feel some sympathy for the troubled lives they carry with them." _ Gabriel Hernandez, Comical Opinions

"Cult of Dracula is not taking a straight line approach to adapting Stoker's classic. There are angles aplenty, with narrative leaps & some impressively off-putting dialogue." _ The Pull Box

"If you think all the bite has been drained out of vampires, think again! You haven't read Cult of Dracula," _ Wayne Hall, Major Spoilers
