Accely

the unique selling point of our technical expertise, project management, and problem-solving abilities.

“Our success is geared with our power to transform the core competencies in today's dynamic to our clients. With these transformations, we are optimistic towards establishing an executive team that will offer our clients the greatest solutions to the issues of a dynamic business ecosystem while also driving our company's growth

recklessly," said Nilesh Shah, Accely's CEO.

Our objective is to give SMEs and multi-national companies robust, scalable, innovative, and high-quality solutions. Muralidharan's experience in leading transformational programs for large-scale SAP engagements in engineering, manufacturing, wholesale distribution, construction, FMCG, and Fortune 500 companies will inspire our SAP consulting group to provide higher-quality services that result in an increase and more consistent ROI.

#### About Muralidharan Venkataraman

Muralidharan's career began in 1989 with A.F. Ferguson & Co., Mumbai, in the Management/IT Consulting division. From there, he spent two decades with DXC Technology India Pvt. Ltd., Mumbai, managing SAP functional and technical teams. Among his numerous SAP engagements are implementations, application management, remediation, roll-outs, migrations, upgrades, and enhancements for multiple clients in the United States, Europe, Asia-Pacific, and the Middle East.

#### About Accely
