

# HouseMaster® Home Inspections Expanding in Denver Area

*Local real estate professional bringing the original home inspection franchise to the region*

DENVER, CO, USA, July 1, 2021

/EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise in North America, is announcing the opening of a new location in Denver and its Western suburbs. Pablo Hernandez, a tech sales trainer who coached hundreds of people in sales and who has been a successful real estate investor, brings years of experience to the table with his new franchise.

"I'm looking forward to helping local home buyers who were in my shoes at one point," said Hernandez. "I know how scary it is to find out your house is on a shaky foundation or what it costs to repair water intrusion in a basement, so I plan on sharing my expertise with those going through the home buying process."
