

# The Jet Set TV's Bobby Laurie and Nikki Noya Launch Daily News Updates

WASHINGTON, DISTRICT OF COLUMBIA, USA, July 1, 2021

/EINPresswire.com/ -- The nationally televised travel and lifestyle talk show "[The Jet Set](#)," co-hosted by travel expert and former flight attendant [Bobby Laurie](#) and personal trainer and nutritionist Nikki Noya, is taking a leap into daily programming.

This morning the travel show launched "The Jet Set TODAY," a daily podcast aimed at keeping avid and leisure travelers updated with the latest industry news and events. Premiering this morning on [Spotify](#), AnchorFM, and shortly available everywhere podcasts are found, the show notes either Bobby Laurie or Nikki Noya will deliver the day's top headlines Monday through Friday in aviation, cruising, hospitality, rail, and rental cars. "The Jet Set TODAY" will also have a focus on news coming out airplane cabins that would affect flight attendants.

"As a former flight attendant I know that cabin crews like to 'debrief' and share stories of what happened on other flights around the country and they also recognize what happens somewhere else could happen at their airline. So, we hope to deliver the day's headlines and a little bit of news for the Savvy Stews out there," said co-

Nikki Noya and Bobby Laurie, hosts of award winning: The Jet Set

host Bobby Laurie. Laurie owns the trademark to the phrase "Savvy Stews" which originated as a travel-themed website prior to The Jet Set and TheJetSet.tv

The first episode of the daily podcast featured stories about the rise in prices for Royal Caribbean cruises for unvaccinated travelers, Disney Dream's test sailing delay, and a little-known story about a former "Saturday Night Live" star that was recently removed from a flight.

Co-host Nikki Noya added "we're so happy and grateful that the television show continues to thrive... with more viewers finding us each week. The number one thing we hear from viewers is that they want more of our news update and lively discussion which starts every show so we thought delivering the headlines daily would be a great companion to our weekly broadcast."

Beginning on July 6, 2021 The Jet Set will launch "The Jet Set en Español Hoy" delivering the day's top travel headlines in Spanish anchored by Juan Albarran.

Podcast listeners can find The Jet Set TODAY and The Jet Set en Español Hoy in Google Podcasts, Apple Podcasts, iHeart Radio, Spotify, Breaker, Overcast, RadioPublic, AnchorFM, TuneIn, or their favorite podcast app. The audio of the daily show can also be found at TheJetSet.tv
