Joyce Meyer Jones has written a self-help book for her readers who want to find a calling for themselves and changes in the flow of our life entitled, *Embracing the Law of Attraction: Out of the Box, Into the Light*. The book is designed to help the readers to identify areas of their lives

that need changing. By using it, the diligent student or reader will begin to experience small changes and large ones. By keeping track by documenting their growth over time, the student will begin to see how the Law of Attraction works and see their lives improve. She wants to open her mind and body for real change to make the most of herself. This guide also includes scriptures of the Bible, the words of God, and Jesus, and many wise people who contribute to the process to embrace the law of attraction. It will guide you if you are a Christian or if you have come to understand you want to BE more, live more abundantly, to live with joy.
