

Tejy Inc. Providing a Gamut of Construction Solutions with BIM

Tejy Inc. - a BIM Service Company in USA is providing a range of construction solutions to Architectural, Engineering and Construction clients.

DC, WASHINGTON, UNITED STATES, July 5, 2021 /EINPresswire.com/ -- Tejy Inc. is an Architectural, Engineering, Permit Expedition, Construction Management & [BIM Services](#) Company in USA serving several areas in USA like Washington DC, Maryland, Virginia, New York, Baltimore, New Jersey, Delaware, Richmond, Connecticut & Philadelphia. The DBE/MBE Certified Women-Owned Company provides a range of construction solutions to Architectural, Engineering and Construction clients.

The graphic is a promotional image for Tejy Inc. It features a white background with a large, stylized orange and white circular graphic on the right side. Inside the circle, two construction workers wearing hard hats and safety vests are looking at a large set of blueprints. The text 'Tejy Inc. Providing a Gamut of Construction Solutions with BIM' is prominently displayed in the center. Below this, the contact information 'CONTACT US 202-465-4830' is provided. At the bottom, there are social media icons for Twitter, Facebook, and LinkedIn, along with the email 'info@tejy.com' and the website 'www.tejy.com'. The Tejy Inc. logo is in the top left corner.

Tejy Inc. Providing a Gamut of Construction Services through BIM

“

COVID pandemic is not a hindrance for Tejy Inc. BIM Company USA, as we support construction projects to continue in a digital & virtual set-up through collaborative BIM.”

Sukh Singh

Regarding the BIM Resolution of Tejy Inc. for market growth, Sukh Singh, V.P., Tejy Inc. commented – “As per the forecast made by United Nations, the world's population would reach around 10 billion by 2050. So, the Important factors paving the growth of the BIM market include enhanced urbanization along with infrastructural development, offered by BIM for the AEC sector.”

Sukh added – “Staying at the quintessence of Architectural, Engineering & Construction domain and nurturing BIM for 15+ years, we know that the growth of the population

would accelerate the prerequisite for housing and infrastructure. To fuel the advancement of the global construction industry, our BIM engineers are focussing on the competent techniques of operation.”

A Senior Project Manager of Tejy Inc. mentioned – “ As a BIM Service Provider in USA, we are contributing to innovative technologies like IoT, Augmented Reality, Artificial Intelligence, Virtual

Reality, Drone, etc. Our BIM Consultants are taking a stride towards the adoption of revolutionary methods in the operational standards of the construction sector.”

Senior BIM Engineers of Tejji Inc. said – “As a BIM Modeling Company USA, we provide 3D visualization, clash coordination, facilities management and many other [BIM engineering services](#). Our BIM Engineers facilitate the architects, engineers, and construction industry professionals to plan, design, and manage construction projects. Consequently, our 3D Modeling Services are gaining popularity, producing a framework to advance in a proper way with an improved guide to work with BIM.”

Tejji Inc. has the potential to overcome challenges in the construction domain with technology integration such as BIM, SCADA, PLC, Drone, etc. Tejji BIM modelers provide the information required to strengthen the success of the construction.

Key Services Provided by Tejji Inc.:

BIM Services: 3D Modeling & Visualization, 4D Scheduling, 5D BIM Cost Estimation/BOQ/BOM, 7D BIM Facility Management, Prefabrication & Modularization, Clash Coordination, Laser Scan to BIM, Shop Drawings, Revit Families, etc.

BIM Engineering Services: Constructability Review, Pre-fabrication & Modularization, Value Engineering, etc.

[BIM Consulting Services](#): BIM Strategy, Execution Plan, Resource Sharing, etc.
