our 15th year of offering affordable Christian accredited degrees globally online in English, Spanish and Thai is accepting applications for the next school term starting in August and graduation in May 2022. Since we have been offering online classes for many years COVID season did not hinder us in weekly classes. During COVID-19 season students can study from home right where they are! Great for busy, working families wanting to grow stronger in the Word and Holy Spirit and discover the reason they were created. We offer a unique, engaging, transformative, experiential atmosphere where students learn along with others from various nations. Our school offers key

distinctions that set us apart from the typical school. (Check our website www.cmmtheology.org and APPLY TODAY)

We have helped many nation changers, both in ministry and secular jobs. Some have pastored churches for decades and knew there was more to the Word and Holy Spirit than what they learned years ago. Many students working in the business, education and government sectors have also found creative strategies to help them impact their 'sphere' of influence in the marketplace with the character of Jesus Christ.

Our school is great for busy, working families who don't want to leave their families, home or jobs to earn their advanced degree. We offer Associates, Bachelors, Masters, Doctoral and Ph.D. degrees. Now accepting applications for classes starting in August 2021. Classes are also available in Spanish.

With our new equivalency offering possible credit you may be able to advance in your studies by

earning credit for ministry work and education you have already taken that did not offer a degree to you previously! Contact us to learn more and set up a one on one zoom session to get all your questions answered.
