"Get Up" is a sort of rebellious, motivational song with lyrics such as, "Here I stand before you as myself, Sick of listening to everybody else" and "Get up, get up now you gotta choose; Get up, get up No one can do it but you". Whether it's tapping a foot, bobbing your head or full-out dancing, this song does make it hard to sit still.

The response has been overwhelmingly positive. A crowd review was performed using listeners from various ages, races & areas in the United States and here's a few responses...

Female, 45 : "I found myself tapping my foot and dancing to this song. Very impressed. This is

not normally the kind of music I listen to but I could see this would be a great song to play in the morning to get moving for the day. Quite motivational. Nice."

Female, 26 : "I really like the beat and how it makes me want to dance. I also like the flow and how everything it pieces together. The chorus is catchy, and easy to learn."
