Balloon Therapy Nashville Is Blowing Up Music City's Party Scene

Simple, yet wow-worthy balloon installations are becoming the new must-have decor for any get together — even the Kardashians are getting on the trend! Now, just in time for all your post-pandemic events, birthdays, weddings, bachelorette parties and beyond, Balloon Therapy Nashville is ready to blow up in Music City and add a pop of color to the already bustling Honky Tonk town.

Adding colorful larger-than-life displays starting July 2021, Nashville local Chandler Ashcraft has partnered with Balloon Therapy to expand their balloon biz to new heights. The Dallas-based business has over 108,000 followers on Instagram and has created a bounty of beautiful balloon displays for clients like Bumble, Lululemon, Post Malone's Posty Fest and Catherine and Sean Lowe from the Bachelor. "We are thrilled to be here in Nashville. We feel so grateful to already have so much excitement and buzz around our launch and look forward to helping the Nashville party and special events scene in a big way!" says Ashcraft. Experienced in planning events and crafting one-of-a-kind balloon installations herself, she knew this partnership would be a match made in heaven.
