paradise at the end of the path. It is a sense so sublime, and we could barely communicate how it feels until we heard 'Hillbilly Love'," says Aim Me & Renee, Troubadours of Divine Bliss. "

Troubadours Of Divine Bliss created something special & magical with their new live acoustic version of 'Hillbilly Love'. Their signature vocals & harmonies are in full display on this acoustic gem."

Lynda Alexander Weingartz, CEO - AirPlay Direct Aim Me & Renee continue to say, "Since that magical evening, we have been singing along with this 'cultural evolution written in the mountains and the stars'. We are two people who try to 'lead by living' and 'be true to who (we) you are'.

One evening we got so inspired that we decided to cover this incredible, supercharged anthem with which we feel so much kinship. We turned on the camera and captured a live, acoustic version of 'Hillbilly Love' to share with all of you. May it inspire you, as it did us, to renew your

appreciation and dedication to this 'unique way of living' they call 'Hillbilly Loooove'...!"
