

LIKE A STONE: A POWERFUL & RAW PERFORMANCE BY AKA V

UNITED STATES, July 12, 2021 /EINPresswire.com/ --
Meet Aka V:

LA-based singer, songwriter, producer and sound engineer Aka V is back with her newest single, "Like A Stone", a powerful and moving cover of this pop-rock ballad, originally by Audioslave.

Aka V is from the small town, Rouyn-Noranda, Quebec. She headed to the big city of Toronto, pursuing her lifelong dream of becoming a musician. With a captivating look and impressive vocal ability, it didn't take long for V to land her first gig as the lead singer in the Canadian rock band, OzGoode.

Her experience and journey on a cross-country tour with OzGoode inspired V's debut single "Always Go Home". This noteworthy release marked her entrance as a solo artist into the music industry in 2016.

Since then, she has released a continuous stream of singles, skillfully navigating her way to cultivating a unique and dynamic sound. Her latest release, "Like A Stone", is an intense and impactful track that she has been playing live since touring as a solo artist.

"Like A Stone":

"Like A Stone" opens with an intense and thick textured soundscape of drums and electric guitar. This captivating intro immediately engages the listener's intrigue and attention.

V delivers a powerful performance that imparts a memorable impression on the listener. A feeling of darkness and anguish is imparted upon us, which is intensified by the powerful instrumental accompaniment leading to an epic guitar solo.

Memorable remake release of Like A Stone by Aka V

As an artist, V has an exceptional ability to communicate intense emotion. Through her mesmerising performance, we feel the pain and torment, just like an open wound, as she sings: "I'll wait for you there, like a stone. I'll wait for you there, alone".

V really has made her own unique mark on this cover song, and if you enjoy music from artists such as The Pretty Reckless and Pink, then Aka V will fit perfectly on your pop/rock playlist.
