

Mbanq Labs Virtual Demo Day to Showcase Game-changing FinTech Innovation

SINGAPORE, July 13, 2021

/EINPresswire.com/ -- Digital banking and FinTech accelerator, [Mbanq Labs](#), has nurtured five more startups to help reinvent the financial technology landscape across the world.

The startups are ready to demonstrate the strength of their ideas and technological developments during a virtual demo day:

To be held via [Zoom](#) on Wednesday, 21st July, 2021, 15:00-17:00 (SGT).

The event is free to attend and includes networking with FinTech and digital banking leaders and presentations from teams of entrepreneurs:

“

FinTech and digital banking are among the most lucrative, most innovative and fastest growing sectors for startups and entrepreneurs to be involved in.”

Daniel Ong, Mbanq's Accelerator Manager

Tokenizer:

How blockchain innovation will generate big profits in investment banking through token issuance and secondary trading.

Music Distribution Club Banking:

Can the glamour of the music biz synergize with digital banking?

Heirdom Capital:

Art investments worldwide will benefit from FinTech by implementing network effects to multiply liquidity and increase transparency.

Kickbates:

The latest ideas on card consolidation through open banking and a rewards platform with FX

Mbanq Labs is Southeast Asia's premiere FinTech and digital banking accelerator

convenience.

Freedom Universal Bank:
FinTech opens seemingly unreal possibilities – get paid a monthly dividend and generate a Universal Basic Income (UBI). Find out how.

Daniel Ong, Labs Accelerator Manager, says, “Technological advances have made FinTech and digital banking among the most lucrative, most innovative and fastest growing sectors for startups and entrepreneurs to be involved in. Mbanq Labs provides the networks and resources for startups to transform into scalable businesses and leads innovation across this space.”

Singapore-based Mbanq Labs is a leading digital banking and FinTech accelerator. It provides training and wide-ranging support for technology innovation, fundraising, marketing, and legal and regulatory frameworks, as well as trendy Singapore office space for financial and technology startups in Southeast Asia and the world.
