

Legal Services of Greater Miami Announces \$50,000 Gift from The Helliwell Family Foundation for Legal Fellowship

MIAMI, FLORIDA, UNITED STATES, July 13, 2021 /EINPresswire.com/ -- The Helliwell Family Foundation continues to lead by example with the \$50,000 multi-year pledge over 5 years in its continued commitment to support Legal Services of Greater Miami (Legal Services). This gift is intended to fund The Helliwell Legal Fellowship in honor of Paul L.E. Helliwell, an attorney who committed his career to his country and understood the importance of service.

“This gift honors my father’s dedication to the pursuit of justice because he believed fairness matters and everyone, regardless of their financial stature, should have the opportunity to have legal representation,” said Anne Helliwell, Director of The Helliwell Family Foundation. “Additionally, it provides a wonderful opportunity for law students to engage in interesting and rewarding work.”

The fellowship will help fulfill Legal Services’ mission of equal justice for all by funding talented and committed law students to assist Legal Services’ attorneys advocate for the most vulnerable members of our community. It will also provide students with the opportunity to gain practical experience and develop professional skills. Most importantly, this fellowship will help foster a commitment to social justice advocacy and pro bono service.
