

The Van Keuren Family Office Real Estate Institute Launches On Line - On Demand Executive Education Courses

Family Office Real Estate Online Executive Education Courses Taught by Faculty from Harvard, Wharton, University of Denver & Industry Experts. On-Line On-Demand

DENVER, COLORADO, UNITED STATES, July 13, 2021 /EINPresswire.com/ -- The Van Keuren [Family Office](#) Real Estate Institute, a Family Office [Executive Education](#) Program, has announced that they are launching their online / on-demand courses taught by the same nationally recognized professors and industry experts. As with the Institute's upcoming on-campus courses, these courses are designed specifically for family offices, family members, family office executives, and industry professionals. These courses are part of the initial class offered at the Family Office Real Estate Institutes June Program.

“

Having individual classes available for Family Offices and Family Investors on-line is a great resource for anyone who could not attend the full course.”

Glenn Mueller, Ph.D Academic Director, FORE Institute

The launching of the online/on-demand courses offered by the Institute is the second phase in the offering of executive education courses in the specific area of family offices and real estate. The on-demand series is on the heels of the Institute's first on-campus program scheduled for December at the University of Denver. Courses currently available include Real Estate Finance & Investment taught by Peter Linemann Ph.D from the Wharton School of Business, Overview of Private Equity Real Estate Funds taught by Frank Apeseche from the [Harvard](#) Graduate School of Design, Real Estate Market

Cycles & Market Analysis taught by Glenn Mueller, Ph.D from the University of Denver's Burns

School of Real Estate and Construction Management, and Family Offices: Legal & Compliance Issues by Tom Handler from Handler Thayer LLP.

Glenn Mueller, Ph.D, the Academic Director of the Family Office Real Estate Institute and Professor at the University of Denver's Burns School of Real Estate and Construction Management said "Our recent FORE Institute course provided the most relevant and up-to-date information needed by Family Investors to make the best real estate decisions possible. Having individual classes available on-line is a great resource for anyone who could not attend the full course."

The on-campus program will include a Family Office Real Estate Investing Overview on December 1st, 2nd & 3rd, and Direct Real Estate Investing for the Family Office on December 8th, 9th & 10th. Both programs are expected to be taught by nationally recognized universities such as the University of Denver, Harvard, and Wharton and industry experts.
