

CUSTOM COMPUTER SPECIALISTS SELECTED FOR COMMONWEALTH OF MASSACHUSETTS MA ITS78 CYBERSECURITY CONTRACT

Custom has been selected for the MA ITS78 contract for Data, Cybersecurity, and related Audit, Compliance and Incident response Services.

HAUPPAUGE, NY, UNITED STATES, July 14, 2021 /EINPresswire.com/ -- [Custom Computer Specialists](https://www.einpresswire.com/custom-computer-specialists) Inc. ("Custom"), a leading IT services provider, today announced it has been selected for the Commonwealth of Massachusetts's MA ITS78 contract for Statewide Contract for Data, Cybersecurity, and related Audit, Compliance and Incident response Services.

The cybersecurity contract, also known as MA ITS78, is the primary Statewide Contract for cybersecurity services including a full range of audit, penetration tests, reviews, and validation of compliance with legal, regulatory and policy requirements, and related services in areas such as data breach investigation, remediation, and security of confidential information.

As an awarded vendor of the MA ITS78 contract, organizations can purchase cybersecurity services including cybersecurity audits and testing, readiness services, Information security and cybersecurity incident response services through Custom and will benefit their organization by leveraging the Commonwealth's buying power, solicitation process, contracting expertise, vendor management and oversight.

"Since 1979 Custom has been providing the public sector with access to a wide array of technology solutions that were developed specifically for the public sector and we are honored to be selected for this contract," said Suzanne McLaughlin, Custom's Vice President and NE General Manager. "Public sector clients throughout the Commonwealth of Massachusetts will now have access to the breadth and depth of our talented cybersecurity team."

Custom, has been working with Public Sector entities throughout the region for more than forty
