

88.3 The Journey Welcomes New General Manager

Morning Host, Danae Songy, to Assume Leadership Role

KEENE, TEXAS, UNITED STATES, July 13, 2021 /EINPresswire.com/ -- The Journey's program director and morning show host Danae Songy was promoted to general manager following the departure of Michael Agee to a radio station in Washington, D.C.

The Journey listeners appreciate the fact that the station will be in the hands of someone who has been with The Journey for years and whose voice they've come to love in the morning.

"I do not take this opportunity lightly and welcome prayers as I make this transition," shares Songy.

Even before Agee's departure, Songy was chosen by Christian Music Broadcasters to be a part of their new mentorship program. She was paired with another female manager who knows the challenges of radio station leadership. Songy believes that was only the beginning of God's promise to equip her to carry on the ministry of The Journey in her new position.

"Thanks to Mike's leadership, The Journey is looking to hire a music director for the first time," says Songy.
