About Skydog Sanctuary (Instagram: @skydogsanctuary)

Skydog Ranch is a permanent home for wild mustangs and burros who have ended up in horrible and dangerous situations - at kill pens, auctions, and homes where they have been abused or starved. The horses at Skydog often enter dire circumstances following relocation from their native habitat by the U.S. Bureau of Land Management. Skydog aims to create a respectful and loving environment for these vulnerable and mistreated animals.

Skydog Sanctuary has locations in Malibu and Mariposa, California, plus a 9,000 acre ranch near Bend, Oregon.
