

The Executive Group Director of Engineering & Managing Director at MBDA UK Announced to Speak at Defence Safety 2021

SMi Group reports: MBDA has been announced to sponsor, speak and exhibit at the Defence Safety 2021 conference in London this October.

LONDON, UNITED KINGDOM, July 15, 2021 /EINPresswire.com/ -- SMi Group is pleased to announce the participation of Chris Allam, Executive Group Director of Engineering & Managing Director at MBDA UK, for the [Defence Safety Conference](#) on 4th and 5th October 2021 in London, UK.

For commercial organisations, it is £1499 and for all military and government personnel, it is free to register. There is a £100 early bird saving ending 31st August 2021.

Register at

<http://www.defencesafety.com/PR3>.

Chris Allam joined MBDA on 1st January 2018 to take up the appointment of Executive Group Director Engineering and UK Managing Director. Chris worked for BAE Systems from 1988 - 2017. His last appointment in BAE Systems was Managing Director Future Programmes and Services, and Engineering Director for the Military Air and Information Business. Through his Executive Group Director role, Chris is head of the company's Engineering Directorate and responsible for engineering across the Group, including delivery, capability development, and professional standards. As Managing Director of MBDA UK, Chris will be the senior representative of MBDA in the UK and responsible for the high-level relationships between MBDA and the UK customer and industrial community.

MBDA will be sponsoring, exhibiting, and taking part in an industry panel debate on [day two of](#)

[the conference](#) on 'Delivering an all-inclusive safety culture across the UK defence industry'.

The international senior speaker line-up this year consists of speakers from 10 countries, including the UK, the US, Saudi Arabia, Germany, Sweden, Australia, Canada, Netherlands, Norway, and New Zealand. The brochure is available at <http://www.defencesafety.com/PR3>.
