About the Management and Strategy Institute

The Management and Strategy Institute (MSI) is a trade association dedicated to representing the needs of process improvement professionals. With over 300,000 members and certification alumni, MSI represents professionals in every industry with members in all 50 states and 34 countries.

MSI provides professionals with career development and credentialing opportunities while fostering an environment of continuous improvement within organizations. They specialize in Six Sigma certification; however, they have a complete line of process improvement certifications.
