

Digital Currency enters MOU with Travel Booking Giant

Verge Currency (\$XVG), and worldwide Digital Currency, has entered a MOU with a leading blockchain-based travel booking Giant, Travala

USA, July 22, 2021 /EINPresswire.com/
-- Verge Currency (\$XVG), and worldwide Digital Currency, has entered a MOU with a leading blockchain-based travel booking Giant, Travala

Purpose: The Parties agree to collaborate (the "Collaboration") for at least the following reasons:

The Collaboration is intended to bring a large offering of travel options to the Verge Currency (\$XVG) community, while expanding the userbase of Travala offerings.

\$XVG currency users will soon be able to book over 3,000,000 travel products in 230+ countries, boosting XVG adoption

“

In continuing our commitment towards mass cryptocurrency adoption, we're very excited to partner with Verge to champion the growth of the crypto community and to bring a new use case to XVG.”

Juan Otero, CEO,Travala.com

Via the Collaboration, users will be assured that their travel needs will be able to be paid in Verge Currency (\$XVG), using the Travala Booking Platform. Users will also be able to Earn rewards easily and quickly with Travala's innovative tokenised incentive programs including Smart discounts, Invite, Loyalty and Givebacks.

The MOU is designed to act as an understanding between Verge Currency and Travala, prior to drawing up a Partnership Agreement between the 2 sides.

Commenting on the partnership, Juan Otero,

CEO,Travala.com, said “In continuing our commitment towards mass cryptocurrency adoption, we're very excited to partner with Verge to champion the growth of the crypto community and to bring a new use case to XVG. The team impressed me with their vision for their business, and I have no doubt that we will see them making waves in the crypto community.”

Justin Vendetta Founder, Senior Software Engineer, Verge Currency: "Another great use case for Verge, as adoption has always been our main goal".
