The Olympian NFTs are available exclusively on Rage.Fan's perpetual [Stake and Mint platform](#).

“

The Olympics collection will enable citizens across the globe to collect the NFT of their country and serve as a permanent celebration of their country's achievement stored on the public blockchain”

*Satheesh Ananth, Founder & CEO, Rage.Fan*

These limited NFTs can be collected by staking \$Rage, \$IBY, \$XCAD. To celebrate this significant milestone, Rage.Fan has set aside USD 150,000 worth tokens to award these NFT holders.

The Rage.Fan stake and mint platform has gamified Staking and APYs with NFTs earning rewards based on outcomes in sports events. The platform is available on a monthly subscription model for crypto projects that want to enable additional utility for their tokens.

Rage.Fan has already launched their collection of Sports NFTs for Tennis, EURO 2020, Basketball. Its customers

include Roseon Finance, 1MILLION NFTS, Polkarare, iBet You, XCAD Network, Crypto Puzzles that have launched staking programs for their token holders using the Rage.Fan stake and mint platform.

On the company's recent launch, Rage.Fan CEO Satheesh Ananthasubramanian said, "This launch is particularly close to my heart as the Olympics collection will not only enable citizens across the globe to collect their country's NFT but also give them a chance to win rewards each time their country finishes on the podium. I believe that this will serve as a permanent celebration of the country's achievements through the digital representations stored on the public blockchain."

Rage.Fan is also in discussion with brands to give access to Sports fans through NFTs. This space is poised for some exciting news in the next few months.
