with my wife and two children to bring down these evil mullahs.”

Sepideh from Karaj said, “I’m so happy to have this honor to speak to you. We are so proud of the MEK.”

Behzad from Behbahan said, “I heard your message and speech Mrs. Rajavi. It is shedding light on the darkness. I’m a member of the Resistance Units inside Iran. Without a doubt that we with the support of the MEK in Ashraf 3 and our international supporters will write our history of tomorrow.”

The mullahs’ regime has murdered and executed more than 120,000 members and supporters of the MEK since 1979. Maryam Rajavi: Khamenei, Ebrahim Raisi, and other perpetrators of the 1988 massacre should be put on trial for crimes against humanity and genocide. UN Security Council must set up this trial.

The Iranian regime will never abandon its project to acquire atomic bombs, export of terrorism, and warmongering. To preserve peace and security, this regime should be subject to international sanctions under Chapter VII of the UN Charter.
