Dallas based [Save Texas Kids](#) is demanding that Cook Children's definitively answer reports that they are bankrolling a candidate to oppose Tarrant County Judge Alex Kim to punish him for his consequential ruling to prevent Tinslee Lewis, an infant, from being taken off life support.

“I am deeply disturbed at reports that Cook Children's maybe attempting to intimidate our judges by funding a candidate to oppose Judge Alex Kim,” said Save Texas Kids

founder Natalie Cato.

“Judge Kim singularly saved the life of Tinslee Lewis thereby going against the executives at Cook Children's who wanted to take her off life support against the wishes of her family. I call on Cook Children's CEO Rick Merrill to provide the Tarrant County community with assurances that the focus of his institution will be solely on helping children and not settling political scores either directly or indirectly,” she added.
