

# Hear Keynote Presentations from Industry Experts at SMi's 9th annual Military Flight Training Conference

*SMi Group reports: Hear from world leading programme managers at this year's annual Military Flight Training Conference.*

LONDON, UNITED KINGDOM, July 19, 2021 /EINPresswire.com/ -- SMi are delighted to announce the 9th annual Military Flight Training conference will be convening on 4th - 5th October 2021 in London, UK. Attending this event will provide opportunities to Hear updates and guidance from world leading programme managers and delve into the latest topics and trends shaping the future of synthetic training, retention and training, gaming technology and more.

For those interested in attending there is a £100 early bird discount ending on August 31st, 2021. Register your place at: [www.militaryflight-training.com/PR3ein](http://www.militaryflight-training.com/PR3ein)

Ahead of the conference SMi have announced the chairman and keynote presentations that will be presenting at this year's conference. Featured speakers for this year's Military Flight Training Conference include:

Chairing day one and two is Air Commodore (Ret'd) Terry Jones, Former Director Flying Training and Military Flying Instructor, 57 Squadron, Royal Air Force leading the opening remarks.

Keynote Presentations:

Group Captain Paul Cole, Assistant Director Plans, Directorate of Flying Training, Royal Air Force

will be presenting on: Raising Military Aviation Training Standards to Enhance Future RAF Operational Capabilities.

- Enhancing the RAF's operational training as it moves towards 5th generation capabilities
- Preparing pilots for operational readiness during international missions
- Overcoming recruitment challenges to ensure the RAF has the necessary human resources for future operations
- Exploring how advanced jet training is utilized to perform the required navigational and formation techniques
- Promoting flight training opportunities amongst cadets

Group Captain Martin Higgins, Commandant Central Flying School, no 22 Group, Royal Air Force will be presenting on: The Central Flying School: Assuring Excellence in Flying Instruction and Standards of Pure Flying across Defence.

- An overview of the CFS including its history, its current role and work on flying training R&D.
- How the CFS supports the UK Military Flying Training System.
- Thoughts on the challenges facing the future of military flight training
