GES has opened several locations in Texas to better serve our customers along the Gulf Coast and further west. In doing so, we have become a part of the local community outside of Houston, Texas. At GES, we recognize that giving back to the community is the joy and responsibility of anyone who calls it home. Representing GES, Ron Hines will be present to enjoy good food, good company, and a good game. Ask Ron about our company values and how GES gets involved in our communities across the South East and Gulf Coast.

“

Looking forward to bringing my A-game, talking shop with local businesses, and raising money for a good cause.”

Ron Hines
