WOODBIDGE, NEW JERSEY, UNITED STATES, July 20, 2021 /EINPresswire.com/ -- Woodbridge, New Jersey – Too often women are bombarded with various clothing ads that highlight style, fashion, and so many different aspects within the shopping experience, that they forget about the customer overall. [Nenhle](#) Clothing aims to change this. We are dedicated to giving you the very best of clothing, with a focus on uniqueness, quality, and dependability. Affordable clothing for the woman in YOU!

Nenhle Clothing was founded by Kenton Ainsworth. A woman who was looking for the right mix of clothing to feature style, business casual, and everyday clothing, without breaking the bank to purchase them. After consistently being disappointed with the minefield of poor customer service and lack of customer focus, Kenton started her own company! Nenhle Clothing offers clothing from size 0 to 3x. All clothing is made with high quality materials with complete description of fabrics used on every item. Nenhle Clothing also offers accessories such as jewelry, purses, scarfs, shapewear, undergarments, and more. With over 7K items available online, you can't go wrong!
