

# Fast-Growing Company That 1 Painter Announces New Franchise Opportunities

*Texas-based painting business; That 1 Painter has doubled its multi-million dollar revenue each year over the past 3 years*

AUSTIN, TEXAS, USA, July 20, 2021 /EINPresswire.com/ -- Texas-based residential and commercial [painting business](#) That 1 Painter has doubled its multi-million dollar revenue each year over the past 3 years --even during the COVID-19 pandemic--and expanded to a total of 15 crews in Austin alone. Having recently launched its second location in San Marcos, the company is now announcing its move to [franchise](#) their turnkey systems for new franchisee applicants.

That 1 Painter founder Steven Montgomery cites the company's inherent values of passing skills and expertise forward as his inspiration for constructing a franchise system that would help others find a sense of purpose and financial freedom. "It has always been my passion to help others get ahead in life," Montgomery says, adding, "That core desire is the reason I chose to franchise over other models for business growth; I want to help others. And I believe one of the greatest ways to help others is by giving them an opportunity to run a successful business."

Beyond a strong brand name, the That 1 Painter franchise carries with it a comprehensive, one-on-one training program (plus ongoing coaching), designed to complement and enhance business skills. Franchisees will also enjoy access to a plug-and-play sales plan, built to help generate leads and maintain a loyal customer base throughout each franchise territory.

Current That 1 Painter franchise territories cover almost every corner of the US, including cities in: Texas, Alabama, Alaska, Arizona, California, Colorado, Florida, Georgia, Kansas, Kentucky, Mississippi, Missouri, New Mexico, North Carolina, Oklahoma, South Carolina, and Utah. And for a limited time, That 1 Painter is offering a \$10,000 discount toward the usual franchise fee to the first 10 applicants able to meet standards for approval.
