Working with insurances and Medicare is a major differentiator for Better Health and is aligned with the company's goals of meeting those who live with an Ostomy where they are and how they want to be met.

Per Medicare Website:

Medicare Part B (Medical Insurance) covers medically necessary Ostomy supplies if you've had a [colostomy](#), ileostomy, or urinary Ostomy. Medicare covers the amount of supplies your doctor says you need, based on your condition.

Your costs in Original Medicare

You pay 20% of the Medicare-approved amount for your doctor's services and supplies, and the Part B deductible applies.

Better Health is led by a team of customer care managers who review your specific situation. The team talks with your doctor or health care provider and works with Medicare to find a solution - one which works for you. The specific amount you owe will depend on:
