

# TopDevelopers.co publishes a list of Leading IoT App Development Companies for July 2021

*TopDevelopers.co recently announced a list of top IoT App developers by analyzing firms around the world that are serving the clients and helping them grow.*

SAN FRANCISCO, CALIFORNIA, UNITED STATES, July 20, 2021

/EINPresswire.com/ -- The world has taken been taken by storm by the very existence of Internet of Things. A world of physical objects embedded with softwares, technologies, and sensors was considered too avant-garde up till now. With technological innovations and dedicated revolutions by [leading software developers worldwide](#), IoT is becoming a reality sooner than anticipated.

The market for Internet of things (IoT) end-user solutions, on a global level, was expected to grow to 212 billion U.S. dollars in size by the end of 2019. The technology reached 100 billion dollars in market revenue for the first time in 2017, and more forecasts suggest that this figure will grow to around 1.6 trillion by 2025. That being said IoT App development is the next pit stop for [top app development service providers](#).

The top aces at Topdevelopers.co have come together to compile a list of the [best IoT App Development Companies](#). Each company enlisted has been thoroughly researched upon and has ensured timely and trusted deliverables at pocket-friendly prices. They have also maintained the utmost customer satisfaction.
