

ZenSpace partners with JLL managed Metreon Mall to launch ZenPods - On Demand Smart Workspaces

High demand for remote-work amenities forges ZenSpace's second location opening in heart of San Francisco, at Metreon Mall

SAN JOSE, CALIFORNIA, UNITED STATES, July 20, 2021

/EINPresswire.com/ -- [ZenSpace](#), one of the fastest growing network of remote-workspaces in San Francisco Bay Area, today announced arrival at Metreon Mall. The deployment of ZenSpace's Zen Pods offers mall guests a smart, fully automated, reservable workspace in which they can tele-work and host meetings.

Metreon Mall in the heart of San Francisco

“Our guests are excited to have remote-work amenities available in such a central, convenient and accessible way” said Jeremiah Gregory, General Manager at Metreon. “ZenSpace allows us to host a new wave of remote workers, and be a part of San Francisco’s growing ‘work from anywhere’ movement”.

“

Our guests are excited to have remote-work amenities available in such a central, convenient and accessible way...ZenSpace allows us to be a part of San Francisco’s ‘work from anywhere’ movement”

Jeremiah Gregory, General Manager at Metreon

“We are proud to partner with JLL and Starwood retail to bring ZenSpace to their premium shopping destination Metreon Mall. Together, we will serve a growing wave of San Francisco remote workers,” said Mayank Agrawal, CEO of ZenSpace. “We’re seeing San Francisco’s tech unicorns - Twitter, Uber and the likes - shifting to remote or hybrid work policies and this is just the beginning.”.

The Zen Pod is an on-demand workspace solution designed for remote workers and business

travelers to tele-work and host meetings business meetings. Guests can book a space on-the-go and with a click of a button at a wide range of locations across San Francisco Bay Area.
