

# Mobile Imaging Services Market Players Take On Collaborations And Acquisitions For Growth In The Industry

*The Business Research Company's Mobile Imaging Services Global Market Report 2021: COVID-19 Growth And Change*

LONDON, GREATER LONDON , UK, July 21, 2021 /EINPresswire.com/ --

Strategic collaborations and acquisitions are a key trend gaining popularity in the [mobile imaging services market](#).

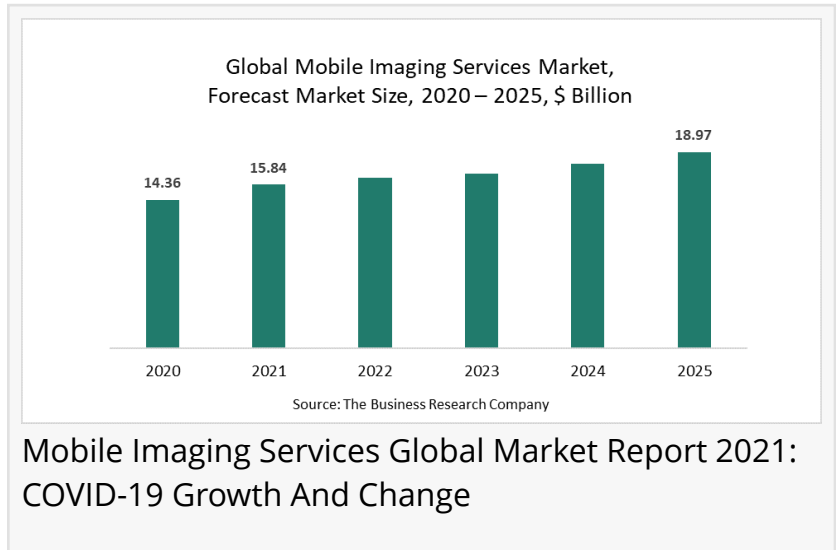

Major players in the mobile imaging services market are focusing on collaborations and acquisitions to build innovations and remain competitive.

Major players in the mobile imaging industry are Accurate Imaging Inc., Alliance HealthCare Services Inc., Axiom Mobile Imaging, Carestream Health, Center for Diagnostic Imaging Inc., Cobalt Health, DMS Health Technologies Inc., Front Range Mobile Imaging Inc., Imaging On Site Inc., InHealth Group Limited, Interim Diagnostic Imaging LLC, Jacksonville Mobile Imaging Services Inc., Nuffield Health, Digirad Corporation, and TridentUSA Health Services.

In July 2020, GE Healthcare collaborated with University Hospitals (UH) Cleveland Medical Center to develop a new AI-based mobile X-Ray system that includes Critical Care Suite, the first on-device artificial intelligence (AI) platform for detecting and prioritizing collapsed lungs. Moreover, Koninklijke Philips acquired Carestream Health Healthcare Information Systems (HCIS) business in August 2019, solidifying the commitment of the company to provide industry-leading medical imaging and healthcare IT solutions. Carestream Health is a USA-based company that provides X-Ray imaging systems for medical, non-destructive testing, and precision contract coating services.
