“

I'm grateful to the TYT team and audience for being so supportive as we work daily to bring high quality news content and authentic political analysis to the masses.”

Dr. Rashad Richey

“What I love about Rashad is his logic. Indisputable lives up to its name because his arguments are undefeated, whether he's taking on conservatives or dissecting an issue. His rationale is so unassailable, the other side feels instantly defeated. He is a joy to watch,” TYT founder and host of The Young Turks Cenk Uygur said

Since its launch Dr. Richey has interviewed prominent political figures such as US Senator Jon Ossoff on making Georgia the hub of sustainable energy, 2020 Presidential candidate Marianne Williamson on gun control, and rapper

and activist Killer Mike on Juneteenth and supporting Black businesses.

Dr. Rashad Richey said about the announcement, "I'm grateful to the TYT team and audience for being so supportive as we work daily to bring high quality news content and authentic political analysis to the masses. Cenk Uygur created something really special with TYT Network. They truly honor substance, society and humanity. I am thrilled to have this seat in the lineup and will endeavor daily to bring audiences across America and beyond the absolute best political news show we can."

On 'Indisputable,' Dr. Richey provides insightful commentary on the top news stories of the day with a TYT guest host or contributor and debates conservative-leaning guests. One of the most popular segments is 'I Wish a Karen Would,' during which Dr. Richey exposes people caught on camera weaponizing their privilege, and then breaks down the dangerous consequences of their actions. The addition of Indisputable with Dr. Rashad Richey on TYT marks a year of expansion for the network as it aims to bring on new voices with a shared interest in driving positive change by delivering authentic political and news commentary.

TYT's Head of Programming Judith Benezra shared, "Nobody brings the facts and the fire quite like Dr. Rashad Richey! With his authentic, sharp and forthright commentary 'Indisputable with Dr. Rashad Richey' has quickly emerged to be a TYT audience favorite, and we are absolutely thrilled to enrich our programming slate with its pick up."

Dr. Richey also debates conservatives on issues like Black Lives Matter, Critical Race Theory and police reform during 'The Bullpen' segment. Previous guests include former US Congressman Trey Radel, radio host Shelley Wynter, climate conservative Benji Backer, pastor Jesse Lee Peterson, and columnist and broadcaster Carrie Sheffield.

The 90 minute program airs Monday through Friday at 11:30 AM PT | 2:30 PM ET on [TYT.com/Live](https://www.tyt.com/live)
