"I met Scott Scales and his daughter, Sarah Scales in 2020. Both are incredibly nice people and saw the potential that Quantum offers. They were interested in transitioning out of the captive world to start their own independent agency for many reasons. This father-daughter team is very customer-oriented and takes great care of their clients in the states of Indiana and Ohio. We are thankful to have Scott and Sarah and their team join Quantum!" - Alesya Flynn, Agency Deployment Leader, Quantum Assurance
