Mobile Transport Treatment for Mental Health and Addiction

Scripps Safe is pleased to announce it will hold a complimentary webinar Series for Mental Health & Addiction Treatment Professionals on August 5, 2021 at 1pm.

This program will be an opportunity for mental health and addiction treatment professionals to gain a greater

understanding of the new DEA regulations for Mobile Addiction Treatment.

As mobile treatment gains momentum, many organizations are exploring the advantages of the opportunities and how it can help them achieve better treatment and business outcomes.

Join security and best practices process experts [Dr. Frank Breve, ex DEA Agent Carlos Aquino](#) and [Rx Security Expert Chris von Zwehl](#) as they explore the possibilities and answer the question:

"How to properly implement the program to improve your patient outcomes and increase revenues?"

\*More information with Zoom link will follow in the coming weeks, please call (844) 472-3379 or email [info@safeRx.com](mailto:info@safeRx.com) with any questions.□

**Mobile Transport Treatment Solutions**

The graphic features a blue background with the title "Mobile Transport Treatment Solutions" in bold black text at the top. Below the title, on the left, is a smartphone displaying a map with a red location pin. To the right of the phone is a red silhouette of a van with a white shield containing a red cross on its side. At the bottom center is the Scripps Safe logo, which consists of a red shield with a white cross, followed by the text "SCRIPPS" in a bold, sans-serif font and "SAFE" in a smaller, lowercase sans-serif font below it.

Scripps Safe collaborates with Addiction and Mental Health Professionals to solve mobile delivery of narcotics for patient treatment
