The application is ready for download and is available in both the Apple App Store and the Google Play Store.

About the National Black MBA Association.

The National Black MBA Association was founded in 1970 and has grown nationwide to 40 chapters and 20,000 members. Over the 50 years of existence and growth, we have addressed many topics of need and interest of our members, their families, and the community we serve. Issues such as literacy in finances, educational, employment, and career opportunities through our seasonal career fairs and national conference, providing educational scholarships, training and development for individuals and small businesses, health and wellness, youth mentorship, and guidance through our Leaders of Tomorrow Program, wealth management, a black think tank for social needs and leading us into the need for education and awareness of nutritional literacy nationwide. We want to acknowledge these achievements of the NBMBA and our members, give thanks to our donors, sponsors, and corporate partners who have built our path to excellence. <https://www.nyblackmba.org>

About National Pork Board.

The National Pork Board has responsibility for [Pork Checkoff](#)-funded research, promotion, and consumer information projects and for communicating with pork producers and the public. The Pork Checkoff funds national and state programs in consumer education and marketing, retail and foodservice marketing, export market promotion, production improvement, science and technology, swine health, pork safety, and environmental management and sustainability. For the past half-century, the U.S. pork industry has delivered on its commitment to sustainable production and has made significant strides in reducing the environmental impact of pig farming. Through a legislative national Pork Checkoff, pork producers invest \$0.40 for each \$100 value of hogs sold. Importers of pork products contribute a like amount, based on a formula. For information on Checkoff-funded programs, pork producers can call the Pork Checkoff Service Center at (800) 456-7675 or visit <https://www.porkcheckoff.org>.
