

Intelligent Waves Awarded 3 New Task Orders for Defense Secure Communications on ITES-3S, GSA OASIS, and Intelligence

Intelligent Waves Awarded Three New Task Orders for Defense Secure Communications on ITES-3S, GSA OASIS, and a Classified Intelligence Community Contract.

RESTON, VA, USA, July 22, 2021 /EINPresswire.com/ -- Intelligent Waves (IW), a leading-edge trusted IT systems integrator that delivers high-impact transformational IT solutions to the Government's most mission-critical challenges, announced it has been awarded three new task orders supporting ITES-3S, [GSA OASIS](#), and a Defense Intelligence contract.

Under the ITES-3S contract, Intelligent Waves will design and build a fully integrated and functional audio system capable of producing any audio source within the system for reinforcement locally of VTC software-based communication platforms, and live streaming software through Government Furnished Equipment (GFE) whereby users are responsible for the security of government information and equipment in any environment.

In addition, on GSA OASIS, IW will deliver enterprise solutions to enhance Military Intelligence (MI) capabilities that will enable soldiers and strategic partners to increase readiness and meet mission requirements through more efficient Military Intelligence collaboration and integration, providing the delivery of a full spectrum of Intelligence, communications, and training services.

Intelligent Waves will also be supporting its contracting partner on a classified Intelligence Community contract in the area of acquisitions support to enhance the expertise within each of the acquisition portfolios managed by the Program Executive Offices (PEO). IW will deliver Government expert advice and assistance in conducting activities within the acquisition field, including support of the PEO, PMO, Mission, Financial Management, and System Engineering.

Erin Horrell, Chief Growth Officer at Intelligent Waves, commented, "We are thrilled about expanding our footprint to serve critical contract vehicles such as ITES-3S and GSA OASIS, where we are the Go-to-Contractor in the past two years."
