/EINPresswire.com/ -- A free COVID-19 vaccination clinic held at the Valley Indoor Swap Meet in Panorama City on Friday, July 23 from 2-6 p.m. will offer free transportation for those who need a ride to and from the clinic.

COVID-19 vaccinations are our best tool for stopping the spread of this deadly disease to friends, family, elders, and the people who work hard to keep our communities safe and open. Once vaccinated, the risk of hospitalization, serious illness, or death from COVID-19 become almost zero. With the spread of more infectious strains of COVID-19, including the delta variant, on the rise in California—community-wide protection from the disease is more important than ever.
