Live virtual 'Love In Action Fundraiser for India Covid Relief.

LONDON, UNITED KINGDOM, July 23, 2021 /EINPresswire.com/ -- Go Dharmic among beneficiaries of The Chopra Foundation & Keystone National Properties "'LOVE IN ACTION" Fundraiser for India Covid Relief

The COVID-19 pandemic continues to adversely impact lives, livelihoods, and the economy in India, with a devastating second wave wreaking havoc even as the threat of a third wave looms large.

Keystone National Properties (KNPRE), Deepak Chopra and The Chopra Foundation hosted a Live Event (that took place online July 15, 2021) called Love In Action - India Covid Relief, urging for donations to NGOs, such as Go Dharmic www.godharmic.com. Go Dharmic has been relentlessly working to minimise the impact of Covid across India by providing food, medical, and oxygen support to the underprivileged and the needy.

Deepak Chopra, Mike Packman, Founder & CEO of KNPRES, Poonacha Machaiah, Executive Director of The Chopra Foundation, Sean Callagy, Founder of Unblinded and Callagy Law, and Kunal Sood, CIO of We the Planet, joined forces to share how important it is to be compassionate during such trying times. The event also featured beautiful chants by Krishna Das and Nina Rao.

"The main message for us all, and what the pandemic has proved, is that we are not separate. We were never separate, but we created this false idea of separation, and the extreme of that false idea of separation emerges as racism, bigotry, prejudice, war and terrorism and an ego destruction and extinction of species..."- Deepak Chopra

"I am exceptionally passionate about this cause as my spiritual journey started with an incredible first trip to India with Tony Robbins almost ten years ago. That was the first of many life-changing experiences that I have had since being introduced to the country and her culture. I just could not stand by and watch the people of India suffer – I had to act and am thankful so many incredible people stepped up to help raise money for the real heroes, organizations like Go Dharmic, the boots on the ground, whose leaders and teams put themselves at risk every day to

deliver the supplies and services needed to provide COVID relief.” Mike Packman, CEO & Founder of KNPRES

From Deepak Chopra’s moving words to Krishna Das’s call to the soul, Love in Action was a real sharing of the heart. India has given the world so much and I’m glad that in this hour of need people have given so generously, especially Mike Packman. - Hanuman Dass, Founder, Go Dharmic

Donations will continue to be collected for the Love In Action virtual event until September 1, 2021. The first \$100,000 will be matched by Mike Packman!
