Brand development is the latest addition to Forest Consolidated's portfolio of services. The firm has three decades of construction experience. It also offers its agriculture clients professional expertise in distribution, financials and accounting, vendor connections, service checks, and minimal viable product testing (MVP). Clients work with the firm's trusted Chartered Accountant through bank reconciliation, QuickBooks workflows, and review of profit and loss (P&L) statements. Forest Consolidated also offers tower garden growing services.

"We create booming agriculture companies," said company CEO Bruce Robinson. "Our goal is to 'compose' fresh, specialty agriculture businesses geared around innovating farms. We're setting a high bar and we take pride in providing each customer the best cultivation construction services and ongoing marketing input. Our goal is to provide each of our customers with a simple and reliable long-term business plan that can work efficiently for the long term."

Robinson added, "It all begins with an idea. Maybe you want to launch a business or turn a hobby into something more? Or maybe you have a creative project to share with the world. Whatever it is, the way you tell your story online can make all the difference and that's what we do for our clients. We are here to help." To realize client branding strategies, Forest Consolidated

can design and execute campaigns on Facebook, Twitter, and Instagram.
