We're bringing a FunFest to Greenville, SC and the community is EXCITED!

GREENVILLE, SC, USA, July 23, 2021 /EINPresswire.com/ -- On Sunday, August 15, 2021, the community will gather for a day of fun, food, and festivities to celebrate a cruelty-free lifestyle, a cleaner environment, and a healthier planet. The goal of the event is to educate the public about the benefits of adopting plant-based choices and to promote vegan-friendly businesses and organizations' resources in the Greenville area and beyond. This event is produced by the group behind Vegfest Expos and Triangle Vegfest, a 501(c)3 nonprofit based out of Wake Forest, NC.

Festival-goers will have the opportunity to enjoy plant-based culinary delights, samples, and giveaways from vendors such as Superieur Electrolytes, Latin Flavorz Food, We Got the Beets Food Truck, and Jenaury's Vegan Bakery while listening to live music and the children play in our Family Fun Zone. Over 45 vendors will bring a variety of animal-friendly wellness and beauty products, apparel, health services, educational resources, and more. An up-to-date vendor live map can be found on the event Facebook page or our website, greenvillefunfest.com.
