We Insure Chief Development Officer Chris Pflueger adds: "As Carmen knows, We Insure's strong relationships with all the top carriers enables our franchise partners to get immediate access to excellent rates, which is an incredible advantage when you are a new insurance agency. We're pleased she made the decision to become an agency owner by partnering with We Insure."

We Insure is experiencing high demand from entrepreneurs for its innovative franchise insurance offering. The Florida-based company was created by a former captive agent with a mission to tackle the insurance industry's biggest challenges. Philip Visali, CEO of We Insure, accomplished this by bringing together the best in choice from independent agencies along with the superior back-end support of captive models. Ten years later, We Insure has partnerships

with the top carriers, and agents have access to more than 150 total markets, to provide customers with the ultimate experience of choice and lower rates. The company has deeply invested in state-of-the-art support systems and IT infrastructure to provide agents with seamless servicing so they can focus on developing customer relationships.

We Insure was recently identified by independent research firm Franchise Business Review (FBR) as one of the Top 100 Low-cost Franchises in 2020 and as one of the Top 200 Best Franchises to Buy in 2021. FBR's recognition was based on franchisee satisfaction rankings.

The We Insure model, with all of the options it provides, will help me provide the best possible service to my customers."
