## FINDING [CORPORATE HOUSING](#) IN SANTA CRUZ

Santa Cruz is one of California's iconic beach towns. Home to the University of California at Santa Cruz, it is a "college town," but more than that it is both a seaside city and a suburb of Silicon Valley to the North. It's a little known fact that many tech workers choose to reside in the seaside city and commute up Highway 17 into San Jose. For corporate types who are assigned to either Santa Cruz or nearby Monterrey, it's a fun place for a short term rental. The best next step is to reach out to the experts at Key Housing to find hard-to-find corporate housing in Santa Cruz and environs.
