LAS VEGAS, NEVADA , USA, September 20, 2021 /EINPresswire.com/ -- The Nevada Mesothelioma Victims Center says, "We are urging a Navy Veteran with recently diagnosed mesothelioma anywhere in Nevada or their family to please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for specifics about financial compensation for this rare cancer caused by asbestos exposure as well as a game plan to get the best possible compensation results. Erik Karst is one of the nation's leading mesothelioma attorneys and he specializes in assisting Navy Veterans with this cancer caused by asbestos exposure.

"If your loved one is a Navy Veteran, and he has just been diagnosed with mesothelioma anywhere in Nevada please do not hire a Las Vegas car accident attorney to do something as complicated as a mesothelioma compensation claim. A Navy Veteran with mesothelioma would have probably been based in Virginia, Florida, South Carolina, California, Hawaii, or Washington. His asbestos exposure

probably took place on a navy ship, or submarine or at a navy shipyard where their ship or submarine was undergoing repairs. Financial compensation for a person like this might be in the millions of dollars. For more information-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303. We are certain you will be glad you did."
