

# Elements Media Networks Broadcasting LLC The Future of streaming television and radio

---

*Elements Media Networks Broadcasting LLC The Future of streaming television and radio. Experience the next in television streaming*

PHILADELPHIA, PE, USA, July 28, 2021 /EINPresswire.com/ -- Elements Media Networks Broadcasting LLC The Future of streaming television and radio.

Tech world association

We sat down with Elements Media Networks and E.M.N Enterprise LLC Chairman Howard E Smith to go over his plans for building his empire.

Tech world association

Since 2013 you have built your company along with your team what separates Elements Media Networks from the rest?

Howard

Elements Media Networks platform is not geared to worrying about other streaming platforms fan base . We are ahead of the curve and it's the vision that divides our brand from the rest .

Tech world association

Let's talk your model and platform for our readers.

Howard

We are a 24 hour streaming television and radio platform with on demand channels. Our model is an advertising base structure available on set-top devices and relaunching on IOS and Android on Sept 24 , 2021. Our website will also host each channel for those who do not have ROKU, FIRE TV and APPLE TV . Mobile users will be able to watch all our content exclusively via cell phones.

Tech world association

I know you touched on set-top devices can you let our viewers know about your channels .

Howard

We designed each channel

based of the idea of creating content for a specific audience in mind across the globe. We have Beyond BE TV our all music channel then we Twenty One TV home of our sitcoms and films.

Media one television is for sports amateur and pro and we are relaunching Global News network to Global News Television. In the coming months we are debuting We Go TV , Wired TV and EMN Classics all within 2021-22.

Tech world association

Very impressive structure let's get into original series and shows .

Howard

Being a writer I lead by example with my creativity and innovation so I every year we bring in a group of Entry level entrepreneurs to make magic by crafting scripts to develop content.

Tech world association

You spoke to us briefly about radio and the future of audio in its current state.

Howard

We are creating radio and podcasts for all audiences with great talented DJ's and VJ's . One of our first stations EMN Wired 98.7 FM we are building our Hiphop and the art of being a DJ by partnering with DJ Phamous Phrillz who will be part owner of the station .

We are also opening 2 other stations this fall EMN Hits Radio and EMN Wicked both will be available via mobile apps and online as well.

Tech world association

That's awesome let's get into syndication and working with other networks.

Howard

We have E.M.N Studios you can say we produce projects for other networks as well and I created relationships with other networks to syndicated content or just design shows just for those companies that ask for our services.

Tech World Association -

You mentioned publishing and magazines can you talk more about that side of your company.

Howard

We are developing a digital magazine available this fall that will cover all aspects of news. I will be releasing publications based off of television shows that we are developing in 2022. I can't forget we also will be releasing comic books under our N Print division towards the end of 2021 .

Tech world association

Thank you for your time Howard everyone please go follow and check out Elements Media

Networks .
